Dear Mr. Björn Sigfússon!

I have just received your letter of the 10th inst. regarding the name of the bay in the Kumbraug area, and I am glad to hear that you are interested in the history of the place.

I have been thinking about this matter for some time, and I have been looking into the old records of the area. I have found that the name "Kumbravog" is very old and has been used for many years. I think it is a very good name for the bay, and I am sure that you will be satisfied with it.
